DN16 1NB

Telephone: 01724 842960

E-mail:

LLFevents@northlincs.gov.uk

MAKATON® uses signs and symbols to help people communicate. It is designed to support spoken language and the signs and symbols are used with speech in spoken word order.

The **two** MAKATON® workshops described below are offered as part of the TSA's **Developing Support Skills** programme, providing opportunities for delegates to find out about MAKATON before progressing to the Foundation Workshop at a later date.

These workshops are offered by LLF TSA in association with the NHS North Lincolnshire Children's (Speech & Language) Therapy Service.

1. Introduction to MAKATON®

This 1.5 hour INTRODUCTORY workshop will provide delegates with a general insight into what MAKATON® is and who uses it, with the added opportunity to learn some targeted signs and symbols useful to your setting. Delivered in an enjoyable and interactive style, the workshop provides opportunities to discuss ideas on how you could use Makaton.

This workshop is delivered by **Grace Windle**, who is an experienced schools' trainer from the NHS Children's (Speech & Language) Therapy Service.

2. MAKATON® Refresher Workshop

*This 1.5 hour REFRESHER workshop will provide delegates who have already completed the Beginners **or** the Foundation Workshop with a general review of what MAKATON® is and who uses it, with the added opportunity to revise some signs and symbols. Delivered in an enjoyable and interactive style, the workshop provides opportunities to discuss ideas on how to develop use of Makaton® within your setting.*

This workshop is delivered by **Grace Windle**, who is an experienced schools' trainer from the NHS Children's (Speech & Language) Therapy Service.

Bespoke and in-school delivery can be arranged for either of these events on request. To apply for either of these events, please contact the TSA office by telephone: **01724 842960** or e-mail **LLFevents@northlincs.gov.uk**

Alternatively you can contact us at **www.leadinglearningforward.org.uk**
