Leading Learning Forward TSA & The Humber Teaching School, as DfE accredited NPQ providers, are pleased to offer the **NEW** and **UPDATED**

National Professional Qualification for Senior Leadership (NPQSL)

The NPQSL content & assessment framework identifies seven leadership behaviours, common to each NPQ level, which set out *how* the best leaders operate. They are:

- ◆ **Commitment**
- ◆ **Collaboration**
- ◆ **Personal Drive**
- ◆ **Resilience**
- ◆ **Awareness**
- ◆ **Integrity**
- ◆ **Respect**

NPQ leaders will work with participants to evaluate the participant's strength in each behaviour theme at the beginning of the NPQSL programme, and plan how the participant will develop these behaviours during their NPQ study.

Assessment Criteria

For each content area, participants will be assessed against the assessment criteria listed for NPQSL, through a series of defined assessment tasks according to the national mark scheme provided by DfE. Participants will be expected to draw upon the relevant bodies of research or examples that relate to the nature of their project.

Assessment Tasks

Each NPQ level has defined tasks setting out how participants must be assessed. Each participant will need to complete a project with supporting evidence for submission as part of the assessment stage. For NPQSL, this consists of one project, split into two parts. Further details will be shared with participants at the induction meeting.
