Specialist leaders of education (SLE)

Application and reference form

General guidance

This form is set out in two sections. Section 1 is to be completed by you, the applicant, and section 2 is to be completed by your headteacher (as your referee). There is a 300 word limit for each answer. Once you have completed section 1, the form should be emailed to your headteacher to complete the reference section and submit the document to the relevant teaching school on your behalf. This will complete the application process.

Applicants are strongly advised to read the full SLE application guidance before completing their application.

Headteacher reference

It is important that headteachers endorse the applicant's intention to apply for the role of an SLE. You are therefore required to provide a reference from your headteacher that supports your application and validates both your eligibility and capacity to perform the role.

Once your headteacher has completed the reference section of this form, he or she will need to return the whole document using the instructions provided by the teaching school. **Until this has been carried out, your application will not be fully submitted so cannot be considered.**

What your information will be used for

As part of the application/funding process, it will be necessary for your teaching school to share certain relevant information about you that you provide in this application form (first name, surname, school URN, TRN and specialisms) with the National College for Teaching and Leadership (NCTL), an Executive Agency of the Department for Education. This is in order for NCTL to fund the core training and be able to report on the numbers and specialisms of designated SLEs.

Where the sharing of your personal information is necessary for these purposes, it will be carried out in compliance with the Data Protection Act 1998. If you have any questions about the sharing of your personal information with NCTL, speak to your teaching school or contact the NCTL at sle.enquiries@education.gsi.gov.uk.

Reference (to be completed by the headteacher referee)

SLEs are outstanding leaders, with at least two years' experience and excellent knowledge in a particular field of expertise. They work to support individuals and teams in other schools by providing high-level coaching, mentoring and support, drawing on their knowledge and expertise in their specialist area.

All applicants must meet the essential criteria to be accepted as an SLE. Each application is rigorously assessed against the [eligibility criteria](#). We therefore ask referees to take this into account when making a decision to recommend an applicant for the role.

In accordance with the Data Protection Act, the applicant you are providing a reference for has the right to view this reference, should he or she contact the relevant teaching school in order to see it. Please do not include any information that you would not be happy to discuss with the applicant as part of a professional conversation.
