Content Areas

The NPQ content & assessment framework identifies six content areas for NPQH, which set out *what* a leader should know or be able to do.

The six content areas are common to each NPQ level, but the knowledge and skills within them increases in sophistication, depth and breadth progressively through the NPQ levels. They are:

- ◆ **Strategy and Improvement**
- ◆ **Teaching and Curriculum Excellence**
- ◆ **Leading with Impact**
- ◆ **Working in Partnership**
- ◆ **Managing Resources and Risks**
- ◆ **Increasing Capability**

How to apply

Complete and return the **Humber/LLF** official NPQH application form, which can be downloaded from the TSA website, by post or e-mail to:

LLFevents@northlincs.gov.uk

Information about the application process is included on the application form.

The **application deadline**, using the 2019-20 application form, is:

- ◆ **Friday 30th August 2019**

to start in September 2019.

NPQ leaders will work with participants to evaluate the participant's strength in each behaviour theme at the beginning of the NPQH programme, and plan how the participant will develop these behaviours during their NPQ study.

Assessment Criteria

For each content area, participants will be assessed against the assessment criteria listed for NPQH, through a series of defined assessment tasks according to the national mark scheme provided by DfE. Participants will be expected to draw upon the relevant bodies of research or examples that relate to the nature of their project.

Assessment Tasks

Each NPQ level has defined tasks setting out how participants must be assessed. Each participant will need to complete a project with supporting evidence for submission as part of the assessment stage. For NPQH, this consists of two separate projects, *one of which must be based on their experiences during a 9-day placement in another school*. Further details will be shared with participants at the induction meeting and can found on the TSA website.
