

Terms, Conditions & Charges

The TSA's charging policy, terms & conditions for events and current event fees are detailed on our website.

For all chargeable events cancellation fees will be applicable. Applicants allocated places on multi-session events should attend all sessions.

The event fee includes the following:

- a place at the event;
- access to resources and materials needed at the event (except where stated as items to be purchased separately). Other materials may be downloaded from our website;
- Tea, coffee and refreshments on arrival and during any breaks at the event.

Any surplus generated as a result of each event will be retained by LLF TSA as a working fund for investment. The margin set for each event will vary depending upon costs and circumstances.

Bespoke packages, including discounted group rates, can be negotiated and provided on request.
