

Pupil Premium Reviews

A pupil premium review looks at how a school is spending its pupil premium funding. The process of the review is to improve your pupil premium strategy, so the funding is spent on approaches shown to be effective in improving the achievement of disadvantaged pupils. The fee for a full day's review is: **£550**.

Target Audience

Any school can commission a pupil premium review at any time and all schools should consider whether they could benefit from the fresh perspective of an experience school leader.

Should you have received a section 5 inspection from Ofsted or the DfE, your LA or any other party has recommended you undergo a review, it is imperative this is completed within 8 weeks.

Outcomes

A pupil premium review will result in:

- An increased understanding of the importance of pupil premium funding.
- Practical ideas of how to more rigorously evaluate pupil premium spending.
- Being able to review the strong research base provided by EEF

Facilitators

Our reviews are conducted by one of two experienced and fully trained to NCTL standard pupil premium reviewers: one, an accomplished Headteacher with a vast experience of school improvement, particularly for disadvantaged pupils and another who is an experienced Headteacher and Local Leader of Education with a proven track record of school improvement.
