Promoting and Developing Positive Pupil Behaviour is a programme designed specifically to equip teaching assistants and support staff with effective skills & knowledge in order to promote and develop a positive inclusive learning environment for all.

Organisation

The programme has been designed to take place within one term; during which time delegates will attend four training sessions, each lasting two hours in length. They will use the time between each day of the programme to develop their skills and approaches.

By the end of this programme, delegates will have:

- Gained insight into good classroom management practice
- Understood the features of a positive learning environment
- Considered how support staff can prepare a classroom for success
- Identified ways to keep students on task in the learning environment

The programme will be led by **Katrina Pawlyszyn** who is Assistant Headteacher at St Hugh's National Teaching School in Scunthorpe as well as being an experienced and nationally recognised Specialist Leader of Education for Behaviour Management.

*To apply for a place on this programme, please return a completed LLF application form **at least 5 days before the start date:***
