What's involved?

The normal duration of study is 6 to 12 months (2 or 3 terms), with a maximum period of **up to 18 months** including assessment. Each content area requires attendance at a series of face-to-face sessions with practical learning in your school as well as extended online learning, reading and reflection.

For each NPQ, you will need to complete an induction event, face-to-face events, school visits and online learning as well as a final assessment. You will undertake professional learning with support and guidance from our team of experienced school leaders and facilitators. The time required for **NPQML** is 110 hours, for **NPQSL** is 140 hours and for **NPQH** is 175 hours.

Content Areas

The NPQ content & assessment framework identifies 6 content areas, for each NPQ level, which set out *what* a leader should know or be able to do. The six content areas are common to each NPQ level, but the knowledge and skills within them increases in sophistication, depth and breadth progressively through the NPQ levels. They are:

- ◆ **Strategy and Improvement**
- ◆ **Teaching and Curriculum Excellence**
- ◆ **Leading with Impact**
- ◆ **Working in Partnership**
- ◆ **Managing Resources and Risks**
- ◆ **Increasing Capability**

- ◆ **Personal Drive**
- ◆ **Resilience**
- ◆ **Awareness**
- ◆ **Integrity**
- ◆ **Respect**

Experience & exemptions

Previous training and experience may be helpful for participants joining any NPQ programme.

No exemptions are granted but you may be able to use your NPQ qualification in support of further degree studies.

How to apply

Complete and return the *Humber/LLF TSA* official NPQ application form, which can be downloaded from the TSA website, by e-mail to:

LLFevents@northlincs.gov.uk

Information about how to apply is stated on the NPQ application form. **Final deadlines for guaranteed places** on our NPQML, NPQSL or NPQH courses, are as follows:

- ◆ **Thursday 24th September 2020** for October 2020 start
- ◆ **Thursday 7th January 2021** for Spring 2021 start

Late applications will only be considered where places are still available. Information about NPQ 2021-22 courses is expected to be published during the Summer Term 2021.

NPQ leaders will work with participants to evaluate the participant's strength in each behaviour theme at the beginning of their NPQ programme, and plan how the participant will develop these behaviours during their NPQ study.

Assessment Criteria

For each content area, participants will be assessed against the assessment criteria listed for each NPQ level, through a series of defined assessment tasks according to the national mark scheme provided by DfE. Participants will be expected to draw upon the relevant bodies of research or examples that relate to the nature of their project.

Assessment Tasks

Each NPQ level has defined tasks setting out how participants must be assessed. Each participant will need to complete a project with supporting evidence for submission as part of the assessment stage.

- ◆ For **NPQML** and **NPQSL**, this consists of one project, split into two parts.
- ◆ For **NPQH** this consists of two separate projects, one of which must be based on each participant's experiences during a 9-day placement in another school.
