

Vicky Hubbard is curriculum leader for key stage one and music at St Luke's Primary School where she has been teaching for the past eight years. Vicky has specialist knowledge in SEND, music, and behaviour spanning a period of eleven years. She has taught every phase from EYFS through to the sixth form in both mainstream and special needs settings. She has taught pupils with a wide variety of SEND including: MLD, SLD, PMLD, ASD and those with complex EBD.

Vicky has an in depth knowledge of musical development and has been involved in the 'Sounds of Intent' research project with the Institute of Education and Roehampton University. She was senior SEND music consultant for the music education charity 'Soundabout' where she led the dissemination of this work to schools and other SEND organisations nationally. Vicky has a specialist interest in developing communication skills through music and has led projects in this area with pupils with MLD, ASD and EBD.

Vicky has experience at a senior level as a senior teacher where she was responsible for developing an assessment system for pupils with severe and complex learning needs, as well as managing a large number of interventions within the school. As a middle leader Vicky brings experience of leading the areas of mathematics, music, music technology, AfL, and the key stage one curriculum to her role as a Specialist Leader of Education with Leading Learning Forward TSA and Humber Teaching School.

Vicky is available for school-to-school support work and has the skills and experience to work in any phase, context or environment.
