

SLE Profile of Carron Pitois

September 2016

Carron Pitois is a Teacher at St Peter & St Paul Primary School. She has been teaching for 16 years and has specialist knowledge in Leadership of CPD, ICT, Maths, Phonics, Initial Teacher Training (ITT) & Newly Qualified Teacher (NQT) Development.

Carron brings experience of working with schools in North Lincolnshire to support whole school or individual teachers to improve the quality of teaching and learning to her role as a Specialist Leader of Education with Leading Learning Forward TSA.

She has a keen interest in the work of Carol Dweck which develops effective teaching and learning through fostering a growth mind-set, effective feedback systems, and the development of meta-cognition. She also has expertise in developing collaborative classrooms, talk for learning and use of Kagan structures.

Carron holds an accreditation for Primary Development Lead for the National Centre of Excellence for the Teaching of Maths (NCETM) and has worked with the Yorkshire and Humber Maths Hub to become a Primary Maths Specialist. She has a keen interest in developing deep learning and the mastery approach for maths in line with the new maths curriculum and has delivered training using the Shanghai Methods schools.

Carron also works as a consultant for TT Education specialising in Literacy and Maths training. She is available for support work for up to 15 days per year and has the skills and experience to work in any phase, context or environment.
